SELECTMEN'S MESSAGE

Office Hours: Monday 7:00 pm – 9:00 pm

1. 2009 was a year of change at the town hall.
2. Thanks to Russ Fiorey for completing Ed Winter's term as selectman.
3. We thank Cindy Robichaud for her service as assistant to the Selectmen and wish her well in her future endeavors.
4. We wish to formally welcome Jill Lane as Assistant to the Selectmen. As the closest neighbor, she is now learning what happens inside the building.
5. The town hall steeple rejuvenation project was completed in spite of the frequent rains. Many have commented on what an improvement it is.
6. Late in the year the carriage shed was repaired structurally in a manner that contributes to the improvement in appearance of the front of the town hall.
7. Plans are underway to continue that improvement in appearance in 2010 by replacing the badly deteriorated cemetery fence and gate south of the shed. We also are asking for money for the town hall and carriage shed expendable trust fund in order to rehabilitate the town hall porch and possibly begin exterior painting this year.
8. If you find it hard when contacted to schedule our Avitar assessors to inspect the interior of your buildings for data verification in the fall, please let the selectmen know as it can be scheduled at your convenience any time of the year.
9. The town portion of the tax rate was unchanged in 2009, while the county portion increased \$.23 per thousand and the combined local/state school rate dropped \$5.27 per thousand. We know there was an increase in state adequacy aid and a decrease in the amount of money to be raised for schools. We make no prediction for what will happen in 2010.
10. Ed Winter's family was very well represented for the bench dedicated in his honor at our well attended Old Home Day. Governor Lynch and the Executive Council honored Ed and Sandy for their many years of service to Surry at a fall meeting in Walpole.
11. The cane honoring Surry's oldest resident was presented at Old Home Day to Dorice Kulik who is going strong at 101 years young.
12. The Surry website continues to be improved and more useful thanks to the efforts of Dave Lawrence and Larry Sportello. Check it out at www.townofsurry.org.

STATE OF NEW HAMPSHIRE – TOWN OF SURRY
COUNTY OF CHESHIRE
TOWN WARRANT – 2010

To the inhabitants of the Town of Surry, in the County of Cheshire, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in Surry on Tuesday, the 9th of March, 2010 from 2:00 p.m. to 7:00 p.m. to cast written ballots to act upon the following articles:

1. To choose all necessary Town officers as listed on the official ballot.
2. Are you in favor of the adoption of an amendment to the Town Zoning Ordinance as proposed by the Planning Board as follows: To insert a new section D to Article IX Administration, Enforcement and Penalty to read as follows, with the existing Sections D and E to be identified as Sections E and F respectively:

The building inspector shall have the authority to perform inspections as may be necessary to assure compliance with the local building code and issue any certificates of occupancy. The Zoning Board of Adjustment shall serve as the building code board of appeals to which decisions of the building inspector can be appealed.

In addition, you are hereby notified to meet at the Town Hall in Surry on Thursday, March 11th, 2010 for the business meeting at 7:00 p.m. to act on the following articles:

3. To hear the reports of the Town Officers and Committees.
4. To see if the Town will vote to raise and appropriate the sum of \$68,000 by withdrawing said amount from the ongoing capital reserve fund for ADA compliance at the Reed Free Library for the purpose of constructing an ADA compliant access ramp and restroom facilities, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

5. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into the ongoing capital reserve fund for Highway Equipment, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
6. To see if the Town will vote to raise and appropriate the sum of \$20,000 to place into the ongoing expendable trust fund known as the Town Hall and Carriage Shed Maintenance Fund, for the purpose of repairing and maintaining the town hall and attached carriage shed, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).
7. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of making road improvements, or take any action in relation thereto. (Majority vote required).
8. To see if the Town will vote to raise and appropriate the sum of \$30,000 to place into the ongoing capital reserve fund known as the Joslin Road Bridge/Culvert Capital Reserve Fund, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.)
9. To see if the Town will vote to raise and appropriate the sum of \$380,176 for general municipal operations, or take any action in relation hereto. This total does not include warrant articles addressed individually. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.)
10. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 15th day of February in the year of our Lord Two Thousand Ten.

Would you believe, we had two successful reading programs this summer. Our young readers attended our morning program once every week. This year's state theme was "Summertime and the Reading is Easy". We received many wonderful comments about our hand designed colorful banner, created by Nadine Surprenant. Our readers this year were Melissa Crotto-Young, Suzanne Hoy, Jeanine LeClerc, Carolyn Locke, Nadine Surprenant, Michelle Thornton, and Lori Warner.

Becky Huntly and Karyn Hagen worked with our older readers. They centered their theme around Greg Mortenson and his efforts to build schools in Pakistan and surrounding areas. The students were busy throughout the summer collecting pennies for the project. They climbed Surry Mountain to give themselves an idea of what living in a mountainous region would be like. I hope they will continue with more outdoor activities in 2010.

We brought everything to a close with our annual ice cream social. Always, a well attended event.

Our adult reading group, started September 2005, is still meeting the first Monday of each month. Give me a call if you are interested in hearing more about this group.

Larry Levesque is busy designing a new computer program for a library reference file to be used by patrons of the library. This will be more accurate and provide more information than our current card file system.

The town also offers the Riff Program for young students in Surry. Becky Huntly, our volunteer organizer, usually invites the children to come to the library four times a year to receive a free book and create a craft with their friends. Parents should watch for this worthwhile program in the local papers and on the town website [Town of Surry.com](http://TownofSurry.com).

SURRY PLANNING BOARD 2009 YEAR IN REVIEW

January *Regular Meeting / Public Hearing*

A public hearing was held to review changes to the Surry Zoning Ordinance. The proposed change was approved by the board and a warrant article will be submitted to go to a town vote. This change would update the zoning ordinance to reference new building codes which are currently being enforced in Surry.

February *Regular Meeting*

March *Regular Meeting*

Pastor Fisher came to visit the planning board with a concern over the approval and time frame related to the addition to the church. He explained that they were already on the town books to build an addition to their facility and need a working permit by August. In the current economic climate, he does not see getting that permit or spending the money for the addition and wanted to know the procedure for extending the August deadline by a year.

April *Regular Meeting*

Tim Peloquin – School Board Chair, wanted to know what to do about moving the trailer at the Charter School down to the elementary school. The board advised that he needed to have a site plan and come in to fill out the Application next month, which would be followed by a public hearing.

Ed Goodrich presented a plan by for Mathew Everson for a Technical Subdivision.

May *Regular Meeting / Public Hearing*

A public hearing on the proposed Everson Technical Subdivision was held with no objections. Motion to accept proposed un-subdivision was voted on an approved unanimously.

June *Regular Meeting*

Nick Gladke presented a revision to his previously approved Surf and Turn site plan that the Surry Planning Board originally accepted back in February of 2008. The revision includes the addition of a 40' by 70' structure and a few other minor plan changes. A public hearing was scheduled.

July *Regular Meeting / Public Hearing*

A public hearing was held for the changes to Nick Gladke's previously approved plan. There was no public objection and the Planning Board approved the changes.

A public hearing was held to discuss the placement of an office trailer at the Surry Charter School. Tim Small excused himself from the board during this Public Hearing.

August *Regular Meeting / Public Hearings*

The Public Hearing scheduled for Von-Krebs Cintonino was unable to be completed without a surveyed plan. It was concluded that once a surveyed plan was complete, the public hearing could be rescheduled.

A discussion was held with the Surry Selectmen over the issue of granting a building permit on the Merriam Farms property which had frontage on a Class 6 road. The Board was asked for a written opinion on the matter by Bruce Smith which was submitted stating that the board agrees "because Surry zoning laws clearly state that no permits will be issued off of class (6) road frontage". Tim Small has recused himself from the board during the deliberation and conclusion.

September *Regular Meeting*

October *Regular Meeting*

After a final board discussion about the content of the warrant article that was drafted by Pete Bissell for submission for the next town vote to amend Article IX, Administration Enforcement, and Penalty of the Town of Surry Zoning Ordinance. It was decided to hold the public hearing on November 23rd on this proposed change of inserting "new section" D) verbatim, below.

D) The building inspector shall have the authority to perform inspections as may be necessary to assure compliance with the local building code and issue any certificates of occupancy. The Zoning Board of Adjustment shall serve as the building code board of appeals to which decisions of the building inspector can be appealed.

Old section D) will become E) and old section E) will become F) in Article IX.

November *Regular Meeting / Public Hearing*

The Planning Board held the public hearing for Zoning Amendment. This will go to a town vote in 2010.

December *Regular Meeting / Public Hearing*

Planning Board held a public hearing for the subdivision requested by Von-Krebs Cintonino. There was no public objection and the subdivision was approved.

Respectfully Submitted,
Jason Walter
Surry Planning Board Secretary

2009-10 REPORT OF THE CONSERVATION COMMISSION

In February, the Conservation Commission hosted a public meeting to continue obtaining Surry residents' input into the Natural Resources Management Plan. Peter Troup from the Monadnock Conservancy presented a well-attended slide show explaining the many unique natural and cultural features of Surry. We have endangered species to protect. Our many slopes provide excellent habitat for a wide variety of wildlife: animal and plant. There are a dozen large maps in the Town Hall, mounted on foam board, that show the variety of important natural resources we have in town.

Our slopes drain mostly into the aquifer located under the village, and we need to protect this water that the town drinks. We have tested several water samples from various waterways in town to establish a baseline. The samples have been found to be of good water quality. The Commission is working with the Planning Board to present voters a proposed addition to the Master Plan regarding the use of Steep Slopes. There is a large map on the wall in the Town Hall that shows the various slopes in Surry.

Surry is also participating in the Ashuelot River Advisory Council, which is made up of all the towns that border the river. They are monitoring water quality, and Surry has contributed funds to the Council to support this work. John Davis is our representative on the Council.

The Conservation Commission has hired Licensed Forester/Wetlands Scientist John Bushbaum to evaluate the Graf Town Forest. He will estimate the value of a wood harvest (done to allow young trees to grow stronger) and develop a Management Plan. The Commission plans to make the forest accessible for residents by laying out a trail and building a parking area. There was the first-annual town hike in the forest on the morning of Old Home Day; several residents came. We saw some really interesting mushrooms, beautiful forest landscape, and a great variety of tree and plant species. Tom Dutton owns a wetland adjacent to the forest, and he is willing for hikers to explore his property when they are in the Town Forest. Our hike ended on the run, as we encountered ground bees who did not appreciate our visit.

Also on Old Home Day, the Commission hosted a Conservation quiz. The two winning families, the Huntleys and the Haines, tied. Each won local maple syrup.

The Conservation Commission has been working with the NH Department of Environmental Services (DES) and a developer to prevent erosion and siltation of a brook in a Surry subdivision. A local resident requested the Commission's help in establishing a conservation easement on his land. We are currently seeking an organization to serve as steward of that property.

Would you like your acreage to remain in its current state, far into the future? A Conservation Easement can accomplish this for you, and contribute to the Surry Master Plan goal of maintaining the town's rural character. Easements are as individual as the people

who set them up. If you would like know more about setting up an easement, please contact any one of the Commission members. Residents are invited to attend any of our meetings, held the second Tuesday of the month, 7:00, at the Town Hall.

**SURRY FIRE DEPARTMENT
ENGINEER'S REPORT 2009**

Another relatively quiet year is behind us. We recovered from the '08 ice storm quite well.

We continue to train locally as well as with our neighboring departments. This included a live burn of 2 buildings on Rt12 formerly known as Deano's Diner. These buildings were donated by their current owner Nick Gladke.

Calls continue to be mostly of a medical nature with motor vehicle accidents, mutual aid responses and fires filling out the list.

A reminder that a permit is required for any outside fire unless the ground is covered with snow to a depth to stop the spread of fire. Please call the Fire Warden or one of the deputies for a permit. We would appreciate a call even if the ground is snow covered so we know what the smoke is from.

The engineers again thank the department members and town residents for their continued support.

Any resident that has a little time to volunteer is encouraged to contact any department member for information or join us on the second or fourth Monday of each month and get involved.

Respectfully submitted,

Fire Engineers, Town of Surry
John Berglund, Chief
Durwin Clark
Tim Bienvenu

SURRY POLICE DEPARTMENT
End of Year 2009 Report
<http://home.webryders.net/surry/>

Last year we reported several vehicle break-ins and thefts that had occurred at the Dort Rd parking lot, and this past summer started off the same way. We began the summer immediately taking more theft and vehicle damage reports, however after lots of hours of investigations, and a few stake outs, we solved them and arrests were made. Officer Talbot took the lead in these cases and after lots of leg work, chasing leads and interviews, was able to develop a few suspects and ultimately, charges were filed.

We were finally able to get an open container (alcohol) town ordinance on the books before summer began, which helped us greatly in getting the free-for-all that the Dort Rd had become, somewhat under control again so that families and sports enthusiasts could once again begin to enjoy that area.

We did replace some of our ballistic vests this spring, which put our budget a little behind, as we were planning on doing that last year. However, it did get done. We also obtained some additional equipment that we had been planning for as well as our regular on-going in service training. We began attempting to approach the selectmen about replacing one of the cruisers, however a couple of them are dead set against that, instead wanting us to put thousands of dollars into a 12 year old car for body work. We thought it made more sense to put the money toward leasing a new cruiser with the plan to purchase at the end of the lease. Apparently, we were wrong in that theory. They also seem to believe that we should move backward and have only one cruiser. Regardless, we do have to start putting some money away to replace the other one, because that one is now several years old and we can't afford to be any further behind than we already are.

For some unknown reason, the tables of support that we once received from the selectmen's office have turned against us. .

There have been discussions that were initiated by the selectmen to completely eliminate your police force. That came as a total surprise to us, and we believe those ideas have been put to rest for good, as they should be, but one never really knows for sure. We think they squashed the idea after finding out how much more it was going to cost the taxpayers, and how much LESS we'd all be getting.

As usual, we want to extend our thanks to the Surry Fire, Rescue and Highway departments for their continued assistance and support throughout the year.

Respectfully Submitted,

Gerald Clark - Chief of Police
Joel Huntley- Lieutenant
Scott Talbot – Patrolman
Joseph Marquay - Patrolman

EMERGENCY MANAGEMENT REPORT – 2009

The year 2009 did not require any emergency action from either the department or me. Again Surry and its citizens have been fortunate to avoid emergency situations for another year.

The Federal and State governments require three documents to be current and approved to be eligible for their grants and other funding. During 2009 the yearly NIMSCast survey was done and submitted. The Towns Hazard Mitigation Plan was revised by a committee of town officials, approved by the State and is currently waiting approval from FEMA. The Local Emergency Operation Plan will be revised and submitted this year. When all have been approved, Surry will achieve compliancy.

I have been active in the regional All Health Hazard Planning group for the past year. The Swine Flu (H1N1) situation allowed the planning group to aid in the inoculations of the second largest number of citizens of any region in the state and provide the most sites for the public access to the vaccine. Many local citizens have not availed themselves of the free vaccine.

During the past year I have been able to partake what limited training there is available from the State.

For another year I exhort the townspeople to plan and prepare for possible emergencies. In the past few years, catastrophic floods and winter storms have occurred in the area. Surry has been lucky to avoid most of the damage but I fear that will not be always the case.

Please think about volunteering. There are many things that you can do to help.

Please contact me for any help that you need.

Frederick Breton, Emergency Manager

RECREATION COMMITTEE TOWN REPORT

The Surry Old Home Day was held on August 15, 2009 on the Village Common.

The theme for this year was "Meet Old Friends – Make New Friends, A brown bag lunch was provided by the ladies of the Beth-el Bible Church. A parade was scheduled for 1:00 but was canceled due to lack of participation.

A full afternoon of games and contests were held from 1:00 to 4:00. They were a Scavenger Hunt and town Trivia (along Village Road), a Chinese Auction and Raffle. Prizes were awarded for the winners of these at the chicken BBQ. For the children the games were 3-legged race, sack race, bean bag tic-tac toe, outhouse toss, Frisbee throw. Matt Clark also brought the fire truck for the children's enjoyment. Many thanks to Tim Small and Rev. Craig Fisher for their help in constructing many of the games.

A History Walk was scheduled for 2:30. Through the day Mary Foshier had history items on sale. At 3:00 the Miniature Horses from Crescendo Acres Farm put on a show. The Fiorey's also brought the Alpacas which were of great interest. The ever-popular Cake Walk was held at 4:00 with many participants. The lucky winners took home beautiful cakes.

Displays by Surry business people and organizations were exhibited all during the afternoon under the tent. Paintings and Sun painting were shown by Surry artists.

Before the Firemen's Chicken Barbeque there was a special program honoring long-time

Surry Selectman, Ed Winter. People spoke of his friendliness, helpfulness and dedicated work for the town. A stone bench that had been placed on the common by the town was dedicated to him.

Also before the BBQ the Oldest Surry resident, Dorice Kulick, was honored and was presented the Post Cane. She was 101. Presentations were also made to the youngest residents.

Then everyone enjoyed the delicious food prepared by the firemen and friendly conversation with their neighbors. A "Friendship Cake" made by Charlotte Small was served. On October 31 a Halloween party was held as an after trick-or-treating party.

Along with coloring and puzzles, musical pumpkins and guess how many candy corn in the baggies were enjoyed by those attending. Each child received candy and toy treats. Then punch and cupcakes made by Pat Small and Marilyn Jarvis were served. About 16 children and their parents attended. This event was planned by Charlotte Small of the Recreation Committee with the cooperation of the Charter School.

Surry History Books are available for sale from:

REPORT OF TOWN AUDITOR
2009

TO THE SELECTMEN OF SURRY

I hereby certify that I have examined the accounts of the Town Officers for Surry, New Hampshire for the Calendar Year 2009 and find the Receipts to the Treasurer properly recorded and Disbursements by the Treasurer properly recorded.

Respectfully Submitted

WALLACE A. RONEY
AUDITOR
February 17, 2010

5. To see if the Town will vote to establish the position of Building Inspector, as provided in RSA 673:1 III, to be appointed by the Selectmen, or to take any action in relation thereto. (Majority vote required.) PASSED
6. To see if the Town will vote to approve an exception to the minimum pavement width of the service roads built or extended in the subdivision approved for Barbara A. Patnode from 24 feet as required by the Road Standards Ordinance to 20 feet as recommended by the Planning Board, or take any action in relation thereto. This will decrease the impervious surface area, help to preserve the rural character, require the removal of less vegetation, reduce the area for town maintenance and reduce the carbon footprint. (Majority vote required.) PASSED
7. Per RSA 231:22-a, to see if the Town will vote to authorize the Selectmen to accept for ownership and maintenance an eastbound extension of Wilbur Road of approximately 450 feet, when it is upgraded at developer's expense from class VI to class V standards in accordance with the Town Road Standards Ordinance for access to the Patnode subdivision, or to take any action in relation thereto. (Majority vote required.) PASSED
8. To see if the Town will vote to adopt a noise ordinance as posted with this warrant and as authorized by RSA 31:39 I (n), or to take any action in relation thereto. (Majority vote required.) DEFEATED
9. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place into the ongoing capital reserve fund for ADA compliance at the Reed Free Library, or to take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) PASSED
10. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into the ongoing capital reserve fund for highway equipment, or taken any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) PASSED
11. To see if the Town will vote to raise and appropriate the sum of \$20,000 to place into the ongoing expendable trust fund known as the Town Hall and Carriage Shed Maintenance Fund, for the purpose of repairing and maintaining the town hall and attached carriage shed, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) PASSED
12. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of making road improvements, or to take any action in relation thereto. (Majority vote required.) PASSED
13. To see if the Town will vote to create a capital reserve fund, to be known as the Joslin Road Bridge/Culvert Capital Reserve Fund, for the purpose of replacing the Joslin Road

bridge, and to raise and appropriate the sum of \$30,000 for this fund, or take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) PASSED

14. To see if the Town will vote to raise and appropriate the sum of 372,762 for general municipal operations, or take any action in relation hereto. This total does not include warrant articles addressed individually. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.)

Motion made to increase budget by \$500.00 to purchase a memorial for Ed Winter. PASSED

To see if the Town will vote to raise and appropriate the sum of 373,262 for general municipal operations, or take any action in relation hereto. This total does not include warrant articles addressed individually. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) PASSED

15. To transact any other business that may legally come before this meeting.

Hugh Clark mentioned the cost and difficulty of disposing of the pianos in the hall and that the two pianos were there if anybody wanted them.

Robert Fuerderer mentioned that the salt shed had been built and is doing great.

Motion made, seconded and approved to adjourn meeting. Meeting adjourned at 8:23 p.m.

Respectively Submitted

Darlene A. Clark
Town Clerk

2009-10 ANNUAL REPORT OF THE SURRY SCHOOL DISTRICT OFFICERS

The Annual Surry School District Business Meeting will be on Thursday, March 18, 2010, 7:00 pm at the Surry School building. The copies of the Warrant Articles and the Budget will be posted and also available on the Surry website.

This year has been a successful second year for the Surry children in the Keene Public Schools. The Jonathan Daniels administration and numerous families have reported that the children are happy and doing well. There are fifty Surry students attending in Keene and four finishing up at Monadnock High School. In addition, five Surry students attend private school, five are home schooled, and five attend the Surry Village Charter School.

The Surry School Board negotiated with SAU #29 a nineteen year contract for our elementary students, matching the twenty year contracts for the middle school and high school, currently operating in their second year. The SAU #38 *administration*, especially Superintendent Ken Dassau, has been extremely helpful to the Board in this first year of working with us. In addition to attending all of our meetings, they have prepared our financial transactions and state filings, coordinated services for our special needs students, and provided outreach for the Board with SAU #29, the State Department of Education, and other agencies and businesses. Interestingly, the SAU #38 School *Board* has brought suit against the Surry School District over our membership in the SAU #38. They question the State Department of Education's ruling that Surry is in the SAU #38 until we withdraw from it. The Board's attorney, David Bradley, who specializes in educational law, will represent the District at the mediation in May and the bench trial in July.

Much of the Board's business this year has concerned preparing the Surry School building for occupancy full time by the Surry Village Charter School. Quite a bit of work was been performed to bring the building into Health and Fire Safety code compliance, including work on the electrical, heating, water and septic systems. More work remains to be done, the largest known project is to replace the current in-ground oil tank. The Board will contract with an architect to do a full facilities inspection and to help the Board draw up Facilities Management Plan. Thank you to Pete Bissell for donating his time to inspect the septic system and advise on repairs needed. Thanks also go to Frank Buffum who donated steel for a replacement cover for the oil tank.

Also this year, there was much negotiation of the lease (legal cost to the Board was about \$2500) with the Charter School. It was signed in November, covering the remainder of the current school year. At this time, the Board expects the Charter School to renew the lease for next year. At the 2009 Annual School Meeting, the Town narrowly defeated the warrant article to pay tuition for Surry students attending the Charter School. The Board interpreted this as a sign the Town wanted to help the Charter School. So, the Board leased the school building for this year to the Charter School rent-free. The lease states that the School Board assumes the costs of repairs of major system failures and the Charter School assumes the costs of maintenance and utilities. The School Board and Charter School worked with the

Planning Board and the Zoning Board regarding the placement of the Charter School Office trailer on the property. The trailer provides additional office, classroom, and meeting space for the Charter School.

Thanks go to Fred Breton who became the Emergency Coordinator for the School Board. Fred has written the legally required Emergency Plan for the Surry students. The Surry School building is designated as an emergency shelter; it is fully handicap-accessible. Thank you also to Bob Bergevin who obtained a computer and computer desk for the School Board. Surry residents, the Board appreciates the support you have shown us. We welcome your input at meetings (dates posted on the town website) or by phone or e-mail (contact information posted at the Town Hall).

SURRY VILLAGE CHARTER SCHOOL

The Surry Village Charter School (SVCS) is a State authorized open enrollment public school. Parents do not pay tuition as long as they are legal residents of New Hampshire. Partial funding is provided by the State of New Hampshire, SVCS raises the balance of its budget through fundraising. The Surry Village Charter School was founded by Surry residents and local educators to provide a local public school option. The charter school model is one method to maintain a viable student population in relatively small towns such as Surry. New Hampshire Curriculum Frameworks and Grade Level Expectations form the basis of the curriculum. As a village school, students are engaged in real world activities that connect them to the local community.

2008-2009 School Year

Highlights in 2008-2009 included the addition of weekly Physical Education and Spanish classes for all students (Grades K-6). The hiring of a Curriculum Coordinator, Sharon Koshar, made a significant impact on the school's ability to move forward on its goals.

Community events during the year included Parent Workshops, a fall Apple Festival, a Pancake Breakfast, a Winter Holiday Celebration, a Spaghetti Supper, a Woodland Dwelling workshop and benefit concert, a May Day Celebration, two all-school, all-day hikes, all-school sugaring field trip to Surry's own Crescendo Acres Farm and an all-school ski trip, our Charter Chef event, a yard sale, and All School Gathering special events.

SVCS students scored above the state average in all areas of the New Hampshire state standardized tests. Parents of SVCS students who have moved on to middle and junior high school continue to report that their children were well prepared and are academically successful.

2009-2010 School Year

To kick off the year, the Surry Village Charter School was thrilled by the opportunity to move into the Surry School Building. In order to give back to the Surry community, SVCS volunteers put a fresh coat of paint on the classroom walls and fixed the bench on the playground. The school's enrollment increased by more than 20 new students for a total of 64.

In the fall, the Surry Recreation Committee and SVCS worked together to bring back the Surry tradition of a Halloween Party. SVCS also continued the Pancake Breakfast tradition for another year.

SVCS anticipates approximately 10 Surry residents to attend the school in 2010-2011.

For more information please contact the school at 357-9700 or visit on-line at www.surryvillagecharterschool.org.

UNIVERSITY of NEW HAMPSHIRE COOPERATIVE EXTENSION

Cheshire County Cooperative Extension
800 Park Ave
Keene NH 03431
603-352-4550

UNH Cooperative Extension, the public outreach arm of the University of New Hampshire, has engaged New Hampshire residents for 95 years with a broad variety of non-formal educational offerings. One in four Cheshire County residents took advantage of at least one Extension program last year.

We offer programs in parenting, family finances, food safety, home gardening, 4-H (including clubs, special interest programs and after school programs for children and teens), and nutrition education for low-income families. We respond to the needs of forest landowners, commercial farmers, niche growers, farmers' markets, and many other groups.

Cheshire County Extension educators also work extensively with towns and school districts, organizing and advising after-school programs, helping school and town groundskeepers maintain athletic fields, landscaped areas, and town forests. We provide guidance to community boards on current use, timber tax laws, and other land-use issues. We also help social service agencies plan programs and stay current with the latest research and best practices. Extension educators are available to meet with individuals, groups and towns upon request. We can be reached at 352-4550 or cheshire@ceunh.unh.edu

UNH Cooperative Extension operates a statewide toll-free Info Line (1-877-398-4769) at our Family, Home & Garden Education Center, staffed Monday through Friday, 9:00 a.m. – 2:00 p.m., and 5:00 p.m. to 7:30 p.m. on Wednesday evenings.

Finally, UNH Extension trains and supports more 5,000 volunteers statewide: 4-H leaders, master gardeners, wildlife coverts, community tree stewards, water quality monitors, marine docents, and others, who extend the reach of Extension programs into many domains of New Hampshire life. If volunteer opportunities interest you, please call Cheshire County Extension Office at 352-4550, or stop by the office at 800 Park Ave. in Keene NH.

Extension also distributes a wide range of information from our Web site:
www.extension.unh.edu.
