

Surry Planning Board
1 Village Road
Surry, NH

Minutes: November 27, 2024

Present: Ron Profaizer, Laura Barrett, Matt Goodwin

7:09 PM

The minutes of the October meeting were accepted. (Ron, Laura)

Ron reminded us that the terms of Pete and Eva are up in March 2025. The filing period for candidacy is at the end of January.

Our December meeting will fall on Christmas. Ron told us that the Selectmen have posted a general statement that all town committee meetings that fall on holidays will be cancelled. Our next meeting will be in January 2025.

Mail: SWRPC has sent notice of a roundtable discussion scheduled for December 5 in Temple. We received a driveway permit application from Jason Martin, who lives at 40 Farm Road but requests a driveway for his lot that fronts on the Old Walpole Road. The Board reviewed the application and made recommendations: The application did not show the width of the driveway and the required 5% slope down from the road to a culvert was not clear. The application with recommendations was returned to the Selectmen. We received notice that Gareth Williams has applied for an expedited minimal impact wetlands permit from the state. He is replacing an overflow pipe from a pond.

Bruce Smith has presented some amendments to the Zoning Ordinance. If amendments are to be considered at the March 2025 Town Meeting the public hearing must occur in late January or very early February. Laura responded that since we are in the middle of updating the Master Plan and have not received the results of the survey, we should wait until that process is complete and then look at ordinances to see if they comply with Master Plan goals. There may be several changes to be considered.

Adjournment 8:20 PM

Laura Barrett
Secretary
