Building Permit Application & Checklist

The undersigned requests a Building/Zoning Permit for the project described in this application and the attached documents. Permits are voided in the event of misrepresentation or failure to undertake construction within one year of the date of approval.

All construction is to be completed in accordance with the permit issued, the Surry Zoning Ordinance, New Hampshire State Building Codes, and all other applicable regulations. The owner authorizes the Building Inspector to enter the property as needed. Per N.H. RSA 676:11 construction is not authorized until a permit is issued. The owner understands that a Certificate of Occupancy is required to be issued before occupying or using a structure unless specifically exempted (IRC R110.1)
